JUNIOR NATIONAL ARCHERY CHAMPIONSHIP

BC Archers Lead the way

The national "One on One" Robin Hood Multifoods Canadian Archery Championship was held in Ottawa on March 21 and 22. Victoria Archers Wade Barnes and Noel Wing won Gold in the Mens and Ladies Olympic divisions and Byron Thompson won Silver.

After qualifying rounds Saturday, the "One on One" elimination began Saturday night and continued thru Sunday. Each elimination round consisted of 15 arrows with a possible score of 150.

Wade Barnes defeated Mathew LeBlanc of New Brunswick 140 to 132 and Pierre Gremeaux of Quebec 143 to 138, to receive 2 bys due to his first place finish in the qualifying round before meeting

Byron Thompson of Victoria in the finals.

Thompson reached the finals by defeating Chad Serger of Sask. 137 to 113, Jean Pascal Fournier of Quebec 136 to 124, Jeff Miller of Sask. 144 to 127, and Robert Rusnov of Ontario 138 to 135.

In an all BC final, Barnes defeated Thompson with a record breaking score of 146 to 140. Pierre Gremeaux of Quebec took the Bronze by defeating Robert Rusnov of Ontario 139 to 137.

In the Ladies Championship Victoria's Noel Wing defeated Marielka Dalman of Ontario 132 to 84 and squeezed by Renee Robitaille by 1 point in a 3 arrow shoot out after tying with scores of 130 and went on to defeat Sylvie Plante of Quebec in the final 140 to

136, forcing Sylvie to take Silver while Renee Robitaille of Quebec took the Bronze by defeating Stephanie Savard of Quebec 137 to 132.

Other BC Archers competing were Clint Mohr of Prince George, shooting compound who defeated Luc Girard of Quebec 134 to 121 before losing to Grant McKinney of Alberta 145 to 144 and Jordan Morris of Victoria shooting recurve was defeated by Mathew LeBlanc of New Brunswick 121 to 117.

Partial funding for this tournament is available to Excellence Program athletes only from the F.C.A. based on your squad placement.

Any Junior BC recurve or compound archer interested in target competition should consider becoming part of the Excellence

Program. The cost is \$120.00 for 4 years beginning in September 1992 or \$35 for the remainder of the year. All you need to do to register is send your name, address and shooting category to the F.C.A. office along with your cheque. You will then receive the Canadian Archer Magazine, possible equipment use and some funding opportunities not otherwise available.

Editor, The BC Archer

It has just been brought to my attention that the JOP has some major problems in how some categories for shoots are arranged. It came as a big surprise to me that my son Kyle Weich, whom is 8 yrs old, had to shoot against Cadets (14 - 15 yr olds) in the BC J.O.P. regionals. When I entered him in this shoot I was led to believe he would be competing against children close to his own age.

He worked very hard to shoot well at this shoot and deserved to be compared to children of his own age. I hope this criteria is not used for the BCAA J.O.P. shoot (Indoor Championships) held recently at Archers Retreat in Prince George as the entry form (of which I still have one) indicates the children will be classed according to ages. It is my hope it will be made very clear at any further shoots if this is going to happen, so I for one, can keep my child from these shoots as he would have to shoot at a disadvantage before he nocks an arrow. Our club the Silvertip Archers has never lumped the Cubs with the 13 & Under or Cadets and I cannot understand why the BCAA J.O.P. would. Please understand that our children need to be ENCOURAGED not DISCOURAGED.

Yours Sincerely,

Gerald Weich
Silvertip Archer

*** SPECIAL NOTES ***

In addition to the preceding rules, once the original zone team members have been nominated, the rest of the 96 member complement is selected. Therefore it is important for everyone to understand that:

A) Categories are selected by representation. THERE MUST BE a MINIMUM OF THREE ATHLETES REPRESENTING THE CATEGORIES SELECTED, PROVINCE WIDE.

B) Please Make sure that when listing athletes on the nominating sheets that the first place and second place athlete etc., are in the right order. Please also include the athletes scores somewhere on their line.

Even though your category is not selected at your trials event you could still be selected to fill another zone team position for your division.

Please note that this is the first year that we have a CADET UNLIMITED category, so lets go out and see some representation.

Sincerely,
Susan Lemke

These are all the results from the JOP Indoor Championships. Between the 3 sites there were 154 participants. It is good to see so many of you participating even if you have not been shooting for very long. I would like to thank all the Co-ordinators for putting this together and the judges for looking after the rules and regulations during the tournaments. A thank you also to all the coaches, without you people there would be no JOP. The scores in bold are records. The asterisk denotes 40cm target. all others were shot on 60cm.
