HUNTING AND FIELD

ARCHERS OF ONTARIO

President—Mr. Al Kusick,
104 South,
Galt, Ontario.

Secretary—Miss Karen Scott,
7 Liberty St.,
Galt, Ontario.

Another month has passed already, and although the weather doesn't look like it, spring is here, and summer events will be under way. First of all I should apologize for the executive committee's Hamilton bunch, we printed their shoot to be April 17th, it is Easter Sunday. At the time everyone just said, that's the way they have, forgetting about Easter. However the correct date is April 24th, for Hamilton's famous "Mud Shoot". If we don't get some of this snow, it might not even be a mud shoot.

We contacted all the clubs about the new three ring targets, and he votes came back most favourably to try these targets on an experimental basis. Only a few clubs were opposed to them, but the majority were in favour, so that's what we'll be shooting at this year. Maybe I'll have a better chance to catch up with some of the hot shots. That'll be the day—they'll have to have six foot targets for me.

Another new archery club is in the making — in the city of Galt, or should say the suburb of Willowdale. Their name "Bay-Archery Club", and we wish them all the best, and hope to see them in some of our events.

My sincere congratulations to our newest Life Member, Val Breitenstein. No one could deserve it more. He has worked very hard for the H. & F. A. O. for the past two years as President, and as Indoor Tournament Chairman, which I know to be a big job. Here are two more shoots to add to our tentative list—

- Conservation Shoot—Galt—May 15th.
- Oshawa Shoot—First Sunday in May—(confirmed).
- Oakville Shoot—August 14th (Bear Shoot).
- C.A.A. Championships—All week—First week in August.
- Toronto—Deer Shoot—Oct. 1st-2nd.

Anyone wanting crests, decals, etc., I'll try to have them at most; if not you can write to me, and I'll be glad to send them out. I should like to add my congratulations to all our Indoor Championships and thank everyone for their participation this year. It has been most gratifying to see such a number entering, and we hope the outdoors will prove to be as good.

Lastly, don't forget to have a Representative at the Rep's meeting which will be held April 10th, at Galt Sportsmen's Club.

—Your Secretary, Karen Scott.

President's Message

My hat's off to Val Breitenstein, who really did a tremendous job in running the Indoor Tournaments this year, also in his handling of the championships, which went off in excellent fashion. Thanks,

I wish to also thank the Sportsmen's Club, Galt, Archery Section and the Y.W.C.A., Galt, for having everything in top shape for the year.

This year, the indoor championships increased in size to the point where we find that the Y.W.C.A. is now too small for this year. We must, therefore, find a larger hall for next year. This is something everyone should think about.

On Saturday, March 12th, had the opportunity to visit the Sports Show in Toronto, where I met a lot of old friends from York County and Toronto Anglers and Hunters. It was a pleasure to be able to talk to these people, as they had some pretty good ideas for next year's work on.

We were also informed that York County Bowmen have come up as the first sponsored team in Ontario, possibly in Canada. This, in the case, it is probably a real good step in the progress of archery in this Province. We look forward to a real report from the people.

So far, I have only heard from a few clubs, and this is not a sign of progress, so let's hear from everyone. If you wish archery to be a success then you must give your fullest support, as you will only receive out of anything what you put into it. If you do this, there will be no end to the success and pleasure that you will receive back in return for your effort from what we consider one of the finest outdoor sports there is: "Field Archery".

Since our last issue, Helen Breitenstein, our publicity chairman, was forced to resign due to personal reasons, however, she did not leave us stuck. Helen contacted Sheila Irwin, and she has agreed to act in this capacity. Good Luck, and thanks Sheila.

—Al Kusick.

"Petticoat Patter"

—by Sheila Irwin.

Once more the 1960 Canadian National Sportsmen's Show drawn to a close. I say this with regret as it is always one of shows that is enjoyed the most by the most! Twelve years ago the first C.N.S.S. headed by our friend Frank Kortright who, 5 of his friends, was responsible for starting the whole thing. show deserves the support of all sportsmen and has done a tremendous amount of good with their policy of conservation (on w \$700,000 has been spent) and their grants to the various conservation associations.

This show is invariably a meeting place of old friends—some myself around the Tillmark Archery booth but the chances I won't see them for another 365 days! Talking of booths—surprised to notice the number of booths without any sort of ceiling on their floors. Know from personal experience how hard to be standing for long hours directly on a hard concrete floor stands to reason the exhibitor is going to tire quicker. Was tal to Gil Grawbacher who was down from Restule. Tried to talk into reorganizing his hunt camp to accommodate us gals but who he will or not—who knows?! Also ran into Herm Walters and course, we went to inspect the latest in planes!

Unfortunately, I couldn't make it down to see all the demonstrations put on by the archery clubs in the sports arena. Humber Valley Archers, T.A.H.A. Bowhunters, and the York Co Bowmen all gave their 30 minute demonstrations. Heard they ' all pretty good—saw the Y.C.B. doing their stuff with an interesting commentary by Harry Markham. Danny Siminiuk demonstrated "penetration test" by shooting a blunt made from a .32 cal. through a 1" pine board. This is always a good thing to put on show as there are still a surprising number of people under impression a bow is a toy and "couldn't really kill a deer". For would like to see a more concentrated effort to publicize archery how about a booth being rented by a club or perhaps two or 1 clubs get together and rent themselves a booth?

Noticed several of our gals were doing their bit to increase club's membership! Our congratulations to Vic and Rita Kinsella. Rita tells me their doctor has assured her of twins in July! wishes too to Andy and Vicki Pyke of Montreal, they now ha little girl.

Incidentally, fellow club secretaries, was talking to Karen who is secretary of the H. & F.A.O. and she tells me you are answering her letters—shame on you! Please take time out to her a line when necessary, the H. & F.A.O. needs very much to what is cookin' in your neck of the woods.

See you next month . . . Drop me a line, gals, on news or at the address is R.R. No. 1 Warden Avenue, Azincourt, Ont
