

Canadian Archery Association

OFFICIAL BULLETIN

FEBRUARY, 1965

SWEDEN HERE WE COME

News of the grant of \$5,198.00 to assist the Canadian team of four men, four women, one coach and one team manager to Sweden this coming July to compete in the World Archery Championships flashed across Canada recently. The cheque has been received and deposited to a special account earmarked for this special purpose. Already most Provincial Associations are hard at work on fund

raising efforts to bring in the necessary balance. In other sections of this bulletin you will find reports on special events designed to swell the team fund. The Executive of the C.A.A. are very proud of the archers of Canada. From Nova Scotia to Victoria letters are pouring in full of encouragement and support. Keep them coming.

MORE GOOD NEWS

The proposed coaching clinics being organized by the C.A.A. received a big boost when a grant of \$1,972.00 was received with the grant for the Canadian Team. These clinics will take the form of two- or three-day sessions in each major centre to which archers wishing to qualify as instructors will be invited. The first clinics are slated for May of this year. The funds will be used to assist potential instructors to travel to the clinics. The C.A.A. Executive are meeting in Edmonton in March to

finalize details. Information will be relayed to Provincial Associations and to Regional Directors as soon as possible after the Executive meeting. The C.A.A. has appointed Examiners in most provinces to supervise the examination of prospective instructors. All Examiners will receive detailed information and material necessary to test the potential instructor. No examinations will be held until after the coaching clinics have been completed in May.

FITA NEWS

The Swedish National Archery Association, who are hosting the 1965 World Championship Tournament, report that on January 14th, 1965, the following countries had indicated that they would have a team at the Tournament: in alphabetical order, Australia, Austria, Belgium, Canada, Czechoslovakia, Denmark, Finland, France, Germany (East), Germany (West), Great Britain, Hungary, Holland, Indonesia, Italy, Korea (North), Mongolia, Norway, Poland, South Africa, Sweden, Switzerland, The

Philippines, United States of America, and Venezuela.

Australia, Austria, Italy, North Korea, Mongolia and Venezuela have never participated in a World Championship Tournament. Canada competed for the first time in 1963.

Vasteras, the World Championship City, has started its 700th anniversary celebrations. It has a population of 85,054 and is the fifth largest city in Sweden.

\$\$\$\$ VALUE FOR YOUR DOLLARS \$\$\$\$

The enthusiasm with which the problem of finances was met at the General Meeting in Joliette last summer and the overwhelming support given to the resolution to advance the C.A.A. membership fee was an indication that the membership was well aware of the financial problem of the C.A.A.

However archers being human (thank goodness) and the executive (despite some notions to the contrary) being biologically similar, we had anticipated that some reactionary would take pen in hand and voice serious objections, your executive was pleasantly surprised at receiving none.

However, we have recently received requests for information about how this money is being spent. Since the recent failure of the magazine we are aware that many archers did not see the last financial statement delivered at Joliette.

Elsewhere in this issue you will find a financial statement prepared by your BONDED treasurer, Eunice Lindstrom. The secretary, Terry Dickson, is also bonded, but this column is concerned with the amount of work and services you receive for your money.

THE PRESIDENCY:

It is difficult to estimate the number of hours that President Art Williams has devoted to the C.A.A. since taking office late in 1962. Reams of correspondence originates from his office. He has spent many days working on the newly germinating instructors' clinics, world championships, etc. Air travel, auto mileage, hotels, meals, secretarial assistance, stationery, postage stamps, telegraph and long distance phone calls, could conceivably run into \$1,000.00 per year. We know the archers of Canada appreciate these services, but: What do they cost us?

Well, the C.A.A. contributed to the President's trip to Joliette and to two executive meetings held in Edmonton to the tune of . . . \$450.00.

THE SECRETARY:

The tremendous amount and complexity of Terry Dickson's work renders it impossible to go back further than three months, space would not permit a longer period. Terry has personally written more than 45 pages of the new handbook, complete with sketches. He has prepared and edited two issues of the Bulletin (a monumental task as evidenced by the failure of so many magazines), and the third issue is under way. He has dictated more than 200 letters to archers wanting information. He has prepared four submissions to the federal government for assistance (two have paid off to the tune of \$7,150.00 and we are hopeful for the other two). The Secretary has prepared a number of directives and literature, as well as drafting rough proposals for elimination shoots, instructors

clinics, etc., and we should bear in mind that he has to mail out to some 30 odd directors in Canada all the directives originating with the Presidency.

The General Meeting in Joliette did authorize the Secretary to pay for stenographic work done, but HE DOES NOT RECEIVE A SALARY. All the above work is voluntary. What does Terry's work cost the C.A.A.? The C.A.A. contributed to the Secretary's trip to Joliette and to an Executive Meeting in Ladysmith in the amount of . . . \$200.00.

THE TREASURER:

During the past three months Eunice Lindstrom has processed some 125 receipts, issued dozens of cheques, made many trips to the bank to deposit money, compiled a financial statement which you will find on page ??, and in general kept the records straight with very little fuss. What has this work cost the members? Well, last Christmas the C.A.A. was big hearted and presented an honourarium to Eunice . . . \$25.00.

MEMBERSHIP SECRETARY:

Dick Hesson has not sent out as many membership cards as he would have liked to, but he did issue some 170 cards during the past three months and has kept the membership records up to date, written dozens of letters, sent out innumerable expiry notices—always with a smile. What has this service cost the members? Well, again the C.A.A. was all heart and presented Dick with an honourarium last Christmas . . . \$25.00.

VICE-PRESIDENT:

Paul Laviolette of Ancaster, Ontario, who is the President's representative for Ontario and Quebec, has travelled over 500 miles in Ontario visiting clubs and discussing the C.A.A. during the past three months. Paul is doing valuable missionary work for the C.A.A. and for many clubs. The C.A.A. has contributed toward the cost of gas and oil, but Paul is out of pocket on each trip. Cost to the members . . . \$32.00.

STENOGRAPHIC ASSISTANCE:

Without the permission granted at the General Meeting in Joliette, which allows the Secretary to pay for stenographic assistance, it would not have been possible to give the members the service they have been receiving since the Secretary returned from Joliette in August. We have been amazed at the thirst for information displayed by our members. Fortunately for the Secretary, wife Helen can take dictation and type. Frequently one-half hour at lunch time is devoted to dictation and on the average of three evenings per week is also spent answering correspondence. Helen Dickson

receives \$1.50 per hour and during the past three months has turned out the following mass of material:

Letters to archers, 200; Stencils cut, 65 (includes Handbook, bulletins, etc.); Envelopes types, 3,000 (includes Bulletin mailings, letters, etc.).

The above material does not include any time spent on mail matches which Helen attends to without assistance from the Secretary, and for which she will receive \$100.00 at the completion of the matches. Clubs have written stating how pleased they have been with weekly result sheets of the mail matches. So far Helen has spent over 60 hours on the mail matches and they have developed into the best yet. At least \$300.00 profit will be made after expenses have been paid.

Anyone interested in applying for the job of stenographer to the C.A.A. Secretary must meet

the following qualifications: (1) Be available 24 hours per day (especially during lunch hour and after 7:00 p.m.), (2) Be willing to work for \$1.50 per hour. Since November 1st, stenographic help has cost the members . . . \$100.00.

Many more ardent workers are contributing time and effort for the archers benefit. Done Lovo, Vice-president i/c target archery; Peter Helbig, i/c bowhunting; Bill Vogt who sends out game awards, and many Directors and Provincial Association Executives donate their time and energy for the benefit of C.A.A. members.

From the financial statement you will note that your money is being spent carefully, with the bulk going for paper, stamps, awards, etc. It is hoped that this editorial will help explain why money is necessary to operate a growing association and why your fees are urgently needed now.

WORLD CHAMPIONSHIP TEAM COACH

The Canadian Archery Association is looking frantically around the country for a qualified coach to attend our team to the World's Championships in Sweden this summer. If you think you qualify, or are interested, write Terry Dickson, stating qualifications. Final selection will be made by the Board of Directors of the C.A.A.

The ideal applicant would have the following qualifications (of course we realize that the ideal may not be found):

1. A competent coach with champion archers to his or her credit.
2. MUST be bi-lingual, in French and English.
3. Added language of Swedish, and/or German.

4. Qualified in the use of 16 mm. movie equipment.
5. Conversant with major tournament procedure and FITA rules.

TEAM MANAGER:

Terry Dickson will attend the team as manager. He has received this post by Presidential appointment and has indicated a willingness to accept. My reasons for this appointment—there is surely, in all of Canada, no one more qualified for the job than this giant among Canadian Archers.

Signed "Art Williams, President"

(Editor's Note: "Phew," and I had to edit this!)

CONDUCT OF EXAMINATIONS RECOMMENDATIONS OF INSTRUCTORS' COMMITTEE

PREAMBLE, by Art Williams, President, Canadian Archery Association

The general levels set for instructors must be accomplished in the most democratic way possible. Once a hard core of instructors has been established and up-graded through instructor clinics and workshops, these instructors will then set the standards and examinations for all future instructors.

We recognize that there will be considerable disagreement from certain circles, and some may think that our initial examinations are not strict enough. Such persons delude themselves into thinking that they are more qualified than the next person to decide who is qualified.

You who have been asked and who have accepted the position of examiner in your areas will

have a most difficult job to do, bearing in mind that in requesting you to act in this capacity the C.A.A. has placed faith in your most strict impartiality. We request and require that in no way will you allow personal feelings to enter into your appraisal of an applicant. In this regard we draw to your attention the need for you to read and re-read this pre-ambule and that you thoroughly acquaint yourself with the attached directions. (Directions forwarded to Examiners only).

The C.A.A. expects of you, that in the event you feel that a personal friendship, or a dislike of the applicant renders it impossible for you to submit an unprejudiced report on the applicant, that you so inform the C.A.A.

Possibly the most important attribute that a prospective applicant should have is an untiring faith in the sport of archery and the ability of the sport to develop and exemplify the noble side of man's nature in his desire to be tolerant, fair and understanding toward his fellow man. An instructor capable of communicating these qualities to his students would be worthy of his qualifications though he never produce a single champion archer.

Applicants should be given to understand that they will be required to attend at least fifty percent of the instructors clinics held in their province in any given year, and that their failure to do so will render their certificate subject to cancellation.

Applicants must be prepared to devote time to home study even though their own shooting may suffer. Certified Instructors should be prepared to render assistance in the forming of new clubs; to be prepared to become conversant with shooting rules, tournament management, and with general leadership principles. In general to give of themselves for the betterment of the sport, rather than for their own glorification within the game itself.

Signed "Art Williams, Ex-Officio Chairman
Instructional Committee"

REPORT FROM YOUR VICE-PRESIDENT IN CHARGE OF BOWHUNTING

I deem it an honour to be elected Vice-President in charge of bowhunting for the C.A.A. I will do my best to carry out my duties efficiently.

This is the time of year when hunters and game alike are indulging in the same thing—hibernating! The hunter is dreaming of the big spring bear that he will get (of course), and the bear is dreaming of a way to dodge the guy with the bow and arrow. I am sure some of you fellows will try to get a big one, and good luck to any one's attempt. Will be hearing of the successes, I am sure.

This is also the time to plan ahead for your Fall hunt, to revive acquaintances and relationships; if you want to hunt in the same areas as the year before, or to any promising prospectives in a different district on private property (fortunately, up here, it is not really a problem compared to the United States, but it is still a good idea to get things squared away).

The revision of the award programme has not yet been completed but you will be hearing of the results in the next bulletin. We will try to include an honour roll of successes for the year; also a prize buck contest—if this is alright with you. If you have any suggestions, please do not hesitate to bring them to our attention.

A few words in regards to trophies that you might get and might want to enter in the Pope and Young competition. I am the official measurer for Pope and Young in British Columbia and will be glad to measure and assist you in anything that you think should be submitted. Any questions in regard to the Pope and Young competition should be addressed to me.

An idea occurred to me that a hunter who lives in the East and wants to hunt in the West (or vice versa) and would like to know about conditions, etc., should communicate with me as all the information will be centered here, and any additional information required will be obtained for him. One thing that is required for an arrangement like this is the willingness of all of you to submit your address to your Provincial Bowhunting Director. It would be economic and enjoyable, I am sure, if one bow-hunter from one part of the country has another bow-hunter from a different part of the country as a guest, taking him out to a successful hunt and enjoying good companionship. It works both ways, as the next time you may want to go to his area. Here is food for thought, and I am looking forward to any additional ideas you have on this subject.

The application forms for big and small game awards will be ready in a few weeks and we hope that you will make use of them. This office is anticipating processing quite a number of them.

I am running out of space, so I am going to let another department have a chance—will have more for you next month, but would like to remind you that this office is open to service—all you have to do is call.

An Important P.S.: Being a good hunter includes respecting life and property of others.

Signed "Peter Halbig, Box 737,
Ocean Falls, B.C."

MANITOBA ORGANIZING PRESTIGE INDOOR TOURNAMENT

A tournament that is receiving a lot of attention these days is the coming Manitoba Indoor Championships slated for April 4th, 1965, in Winnipeg. Archers from all parts of Canada have been invited and so far competitors from Alberta, Saskatchewan, Manitoba and Ontario have posted entries.

The C.A.A. is very interested in the outcome as the proceeds have been earmarked for the Canadian Team at the World Championships.

Tournament Chairman Cliff Pearson advises that the costs for administration, accommodation, materials, prizes, trophies, etc., have been cut to a minimum, thus allowing for the very reasonable cost to archers to attend both the tournament and the smorgasbord dinner. This has been made possible through the kind co-operation of the Canadian Army, and the local merchants. Cliff goes on to say that they have obtained the use of spacious Minto Armoury. This Armoury will provide a floor space of 80 yards by 40 yards, and has spectator galleries which will accommodate 500 spectators. By a special method of scoring, spectators will be able to determine any archer's score on the completion of each end, and will be able to follow the progress of any one archer in relation to the other competitors.

Write Cliff Pearson, 276 Ubique Crescent, Winnipeg 9, Manitoba, for further details.

The C.A.A. says "Good Luck" and urges archers to support this fund raising effort.

NOVA SCOTIA ARCHER DONATES TO TEAM FUND

Mr. N. "Waddy" Waddington of Halifax, Nova Scotia, writes, "you will find my name at the foot of the score sheet of the 1964 Canadian Championships in Joliette". Well Waddy, your scores may be at the bottom of the list, but you are on the top of our list of good guys.

Waddy operates a silk screen shop on Prescott Street in Halifax and has donated 100 beautiful multi-coloured crests to the C.A.A. to sell as souvenirs to those archers who took part in the 1964 Canadian Championships in Joliette. The crests read "C.A.A. 1964 Joliette Competitor National Championship Shoot". The C.A.A. plans to sell these crests for \$1.00 each. This will mean \$100.00 for the team fund. The crests will be sold on a first come first served basis, so plunk a buck in an envelope and mail to C.A.A. Secretary right away. Your crest will be forwarded pronto.

TORONTO ARCHERS MAKE PLANS FOR WING-DING

Some fine ideas for a fund raising shindig for Ontario was sent in to the C.A.A. Secretary by Ron Leonard. Sorry we haven't much in the way of

details, but hope to have a write-up on the Ontario campaign for the March issue. Ron Leonard and Paul Lavolette discussed the effort. One fine idea was to invite all Ontario archers and friends to a giant indoor shoot, banquet, dance and floor show. Four or five hundred people at \$5.00 each would mount up. This type of Archers' Ball might catch on and we think Toronto has just the group that can make it a success. Don't forget to keep the Bulletin advised, eh?

ARCHERY ON TELEVISION

For the first time in Canada an archery tournament is being televised along the lines of All Star Golf. The Royal Dutch Airlines is sponsoring the televised tournament every Saturday afternoon on a Montreal TV station, Channel 10.

Each contestant shoots two ends of six arrows each at 14 yards on a 12" target face. The tournament is expected to last some 10 or 12 weeks. The winner will receive two return tickets to Europe. Contestants were chosen, province wide, by an elimination tournament held at the Joliette seminary. Unfortunately at the time this Bulletin went to press we did not have the up-to-date results, but we have heard that our old friend Reginald Lessard had been eliminated. We hope to have a full report for the March issue.

QUEBEC ARCHERS RE-ORGANIZE

Congratulations to La Federation des Archers du Quebec and to the new Executive, President Richard Lecours and Secretary-Treasurer Mrs. Aline Deom. Their new magazine "Toc" is an excellent looking publication and Jacques Deom is responsible for its organization. Three Directors have been appointed to work on the Board of Directors of the C.A.A. Gaston Champoux, Father L. P. Blanchet and Guy Desjardins. The C.A.A. looks forward to very close ties with the Federation des Archers du Quebec.

ONTARIO ARCHERS RE-ORGANIZE

A very interesting newsletter was received from the newly-formed Ontario Association of Archers. The Executive is headed by Fred Nolan of Chatham; Secretary Mrs. Gale Altkenhead; Strathroy; and Treasurer J. M. Harrison, London. Two Directors were appointed to represent Ontario on the Board of Directors of the C.A.A.—Ken Brown, Toronto; Rita Kinsella, London. Also Paul Lavolette of Ancaster is the Presidential Representative for the Provinces of Ontario and Quebec. The new organization embraces both the H. & F.A.O. and the Ontario Association of Target Archers. It is estimated that Ontario has within its boundaries more archers than any other province. We hope that they will all support the new organization.

1965 C.A.A. EXECUTIVE

President	Arthur Williams, Ladysmith, B.C.
Presidential Appointment for Ontario and Quebec	J. Paul Laviolette, C.D., RCN, 178 Central Drive, Ancaster, Ont.
Vice-President 1/c Target Archery	Don Lovo, 2307 Sovereign Crescent, Calgary, Alta.
Vice-President 1/c Bowhunting	Peter Halbig, Ocean Falls, B.C.
Secretary	Terry R. Dickson, 10311 - 140 Street, Edmonton, Alta.
Treasurer	Eunice Lindstrom, 10123 - 124 Street, Edmonton, Alta.

APPOINTMENTS

Membership Secretary	Dick Hesson, 8244 - 4A Street S.W., Calgary, Alta.
Mail Match Secretary	Helen Dickson, 10311 - 140 Street, Edmonton, Alta.
Game Awards Chairman	Bill Vogt, P.O. Box 11, Picture Butte, Alta.
Editor, The Bulletin	Terry R. Dickson, 10311 - 140 Street, Edmonton, Alta.

PROVINCIAL REPRESENTATIVES

British Columbia:

- Verne Craig, 1082 Canyon Road,
North Vancouver, B.C.
- Maurice Tanchak, 365 Seaforth Crescent,
New Westminster, B.C.
- Bob Blades, 1160 May Street, Victoria B.C.

Alberta:

- Don Hatton, 920 - 17 Street, N.E.,
Calgary, Alta.
- Willy Ankerstjerne, 3716N - 14th Street N.W.,
Calgary, Alberta.
- Michael Popson, 202 - 2 Avenue South,
Lethbridge, Alta.

Saskatchewan:

- Gary Thackray, 2316 Elphinstone Street,
Regina, Sask.
- John Fogarty, 352 Gladmer, Regina, Sask.

Manitoba:

- Ray Crawford, 16 Bernier Bay,
St. Boniface, Man.
- Andre Roziere, 125 Handyside Street,
Winnipeg 8, Man.

Ontario:

- Ken Brown, 27 Chicora Avenue, Toronto, Ont.
- Rita Kinsella, R.R. 9, London, Ont.
- R. John Mitchele, 18 Montgomery Road,
Toronto, Ont. (C.N.E.)

Quebec:

- Gaston Champoux, 653 Delanaudiere Street,
Joliette, Que.
- Father L. P. Blanchet, 135 - 80 Street West,
Quebec 7, Que.
- Guy Desjardins, 5177 Beauvoileil Street,
St. Vincent-de-Paul, Que.

Nova Scotia:

- Joe LeBlanc, 196 Main Avenue, Box 279,
Fairview, Halifax Co., N.S.

PROVINCIAL SECRETARIES

- British Columbia: Mrs. E. M. (Betty) Thain, 2758 Foul Bay Road, Victoria, B.C.
- Alberta: Mrs. Trudy Stringer, 5419 - 39 Street, Red Deer, Alta.
- Saskatchewan: Gery Feldt, 1929 Broder Street, Regina, Sask.
- Manitoba: Gordon Murray, 249 Ruby Street, Winnipeg 10, Man.
- Ontario: Mrs. Gale Aitkenhead, R.R. 1, Strathroy, Ont.
- Quebec: Jacques Deom, 1820 - 58 Avenue, Points aux Trembles, Montreal 5, Que.
- Nova Scotia: Miss Marion Stuart, Fall River, Halifax Co., N.S.

REPORT FROM VICE-PRESIDENT i/c FIELD SHOOTING

As I have been elected Vice-President i/c Field Archery and also appointed Presidential Representative for Ontario and Quebec, I plan to contact as many clubs as possible either personally or by mail. I hope to acquire information as to their club location and field shooting organization. I will be at the disposal of any club, within reasonable distance, to attend special functions and shoots and will help in setting up new field courses and advise whenever the need arises.

I would like to prepare a report for the year 1965 showing a map of Canada with all archery clubs affiliated with the C.A.A. marked on it. To do this I need the help of all clubs and to render this report I need the layout of courses, maps of the location of your club, etc.

In closing I would like to say that I shall do my best in my dual position for the sake of archery, "the sport of man since time began."

Signed "Paul Laviolette."

Signed "Eunice Lindstrom,
Treasurer."

THE "500" CLUB

With the improvement in scores every year, it has been suggested that we create another classification for those archers who wind up the indoor season with a 500 or over average. The C.A.A. will therefore present a special classification crest for archers in this category. The classification will be carried on in the outdoor mail matches with a 700 average for the American Round being the standard. However, the classification tabs will be slightly different so that you will be able to tell whether the archer received his tab for indoor or outdoor shooting. We are still working on a suitable

average for the same category in Field and hope to have the information for the next issue of the Bulletin.

RAISING MONEY?

Tom Mack passes along a suggestion as to how some Provincial Associations could raise money to help the team to Sweden—Sell Sustaining Memberships in the C.A.A. to sporting goods stores and large business organizations. Tom knows at least one group that would donate \$25.00. The C.A.A. would be most pleased to prepare and present suitable membership cards to any business who would take out a susustaining membership.

STRAIGHTENING ARROWS

Hank Wiseman of the Alberni Bowmen passes along the following tips on straightening arrows: "Most commonly the bend in the arrow is located by eye or with the aid of some mechanical device called an arrow straightener. But all such straighteners locate only one bend at a time and at a given short length of the arrow. It is handy to see every bend in the arrow at one time. Here is a tip to help you do it. I use a piece of mirror glass. Four inches by two inches is big enough, though larger is preferred. Select a window on the shady side of the house and lay the mirror on a table with the long edge toward the window. Lay the arrow on the mirror. With your eyes down near the level of the surface of the mirror, roll the arrow slowly and look under it. The mirror doubles the bend and the light exaggerates it. It's no trouble to pick out the bend and the exact peak of each bend or kink.

Most bends can be straightened by hand, but one of the lever or plier type straighteners may help, especially near the ends of the arrow. I sometimes use a foot-long piece of soft wood with a quarter inch or larger hole at one end. This is slipped onto the arrow and used as a lever on short kinks. Also a slotted hole about two inches long in the other end of the lever occasionally helps. I hope this helps you.

P.S.—Are you going to start the coming outdoor season with your fletchings in their present condition? I just wondered!—Hank Wiseman."

PEN PALS NEEDED

The following letter has been received from the Junior Editor of the British Archer:

"I wonder if you can help me in any way with my problem. I am getting a large number of inquiries from junior archers, both girls and boys, for pen friends, especially overseas. Junior archery is increasing in this country month by month and we now have over 500 schools taking part in the sport as part of their physical training education. We know very little of the sort of rounds, distances or scores you shoot. If you know of anyone who would like a pen pal, or anyone who could help in any way, I would be very grateful to hear from you. Good shooting,

Miss B. Kelly (aged 14),
85 Holmsdale Grove,
Barnhurst, Kent,
England."

Editor's Note: I know there are many junior archers in Canada who could help Miss Kelly out with information about archery in Canada.

CLUB NEWS

York County Bowmen at their general meeting elected John Corriveau of Downsview, President. Walter Rosevear, Brampton, Vice-President. Bernard Goody, Toronto, Treasurer. Bill Batstone, Scarborough, Secretary. The club plans on expanding their 1963 program this year to include all activities of interest to archers and non-archers. Club members will give a demonstration of their powers at the Canadian National Sportsmen's Show on Wednesday, March 17th, at 8:30 p.m. The C.A.A. thanks Sheila Irwin for this information.

The Wascana Archers of Regina held their annual meeting January 25th and the following slate of officers were elected: President, Roland Fenwick; Vice-President, Gordon Ross; Secretary, Nelson Swanston; Treasurer, Harold Taylor.

The trophies for the outdoor club championship of 1964 were presented. A sort of "Believe it or Not" tie came up when Gordon Ross and Rhiney Walters tied with high score. However, there is also a trophy for the ten best field scores turned in and, you guessed it, the same two archers tied with the same score right down to the decimal point.

Rhiney Walters also received the club trophy for the largest buck taken in 1964 in the Wascana Archers. There were five deer taken by members of the club in 1964.

On January 8th friendly competition took place between the Frontier Bowmen and the Wascana Archers. The Wascana Archers triumphed, but only by a small margin. The Frontier Bowmen provided a lunch to top off the evening.

The Wascana Archers are sporting a brand new \$6,000 club house and plans are under way to host an invitational shoot for Manitoba and Alberta archers in 1965.

Seaview Archery Club of Victoria, B.C., have advised the C.A.A. of their new executive: President, Frank Jones; Vice-President, Peter Campbell; Secretary-Treasurer, Susan Jones; Target Officer, Bill Howe; Field Officer, David Gair; Social Convener, Mac Jones; Publicity Chairman, Peter Campbell.

SPORTS COVERAGE

The Secretary received a very nice letter from the Program Organizer, School Broadcasts and Youth Programing for the Canadian Broadcasting Corporation regarding "Sportspage," a Sunday feature. Last November Madge Mitchele of Toronto was interviewed regarding archery activity. The program is interested in news about archery and would be happy to carry items when possible. These programs are carried from Newfoundland to Inuvik and it might be of help if your club publicity man got to know the personnel at the local station.

CHALLENGE RECEIVED FROM AUSTRALIA

The Bunbury Archery Club of Western Australia have forwarded an invitation for archers from Canada to take part in the Silver Leprechaun Mail Match Shoot this spring.

Double American

Scores may be shot on club grounds any time during the months of April and May, then forwarded to the Bunbury Archery Club. Entry Fee: Five shillings (Aust.) per archer. Trophies: 1st, 2nd, 3rd place, men and ladies; hidden score, men and ladies; most gold unrewarded, men and ladies; lowest scores, men and ladies; largest club entry.

Entry forms and fees to be sent in by April 30th, 1965. Total scores (hits, golds, scores) to be sent in by June 21st, 1965. (Clubs use their own score sheets.) Address all correspondence to: Mr. R. W. Stirton, P.O. Box 11, Bunbury, Western Australia.

Editor's note: Any Canadian or Canadian Club wishing to enter may write directly to Mr. Stirton.

MORE MISSING ARCHERS

Many thanks to those kind souls who took the trouble to advise us of the addresses of most of the missing archers who appeared in January issue of the Bulletin. However, more have since moved and if you know any of the following types please pass on the information. As Sheila Irwin of York County Bowmen says, "I would like to bring them back on the mailing list":

British Columbia: Jean Standish, Pat Latondress, Edgar Brady. Ontario: Gearge Austen, Ernie Happe, Clare Thompson, S. Todd, Dick Tone (moved again). Alberta: Ken Iverson, Alf Ellis, Ray Albert, Frank Novak, Ridyard Blake, Byron Rutley, Lori and Danny Duthie, Wayne Anderson.

THE BULLETIN

Published by the Canadian Archery Association.

Issued every month during the last week of each month.

Deadline for news: 15th of each month.

Editor: **TERRY R. DICKSON**

10311 - 140 Street, Edmonton, Alberta.

Mail Membership fees to: Membership Secretary, Dick Hesson
8244 - 4A Street, S.W.
Calgary, Alberta.

C.A.A. Membership Fees: Charter Club Members: Single \$3.50—Family \$7.00.
Individual Members: Single \$5.00—Family \$10.00.

ARCHERS ! PRACTICE SAFETY AT ALL TIMES

1965 INDOOR MAIL MATCHES--6th Report

Code No. 34 Hart House, University of Toronto and Code No. 35 Quebec Sherwood Archers have now entered the Mail Matches. The Broadhead Bowmen of Blackfalds, Alberta; Les Archers de Duvernay, Quebec and The Scotian Bowmen of Halifax have indicated that they would be entering and if they are still planning to I would appreciate their scores being sent in as soon as possible.

In order to include the 1965 Indoor Mail Matches in the February edition of the Bulletin so that all

the C.A.A. Archers may see the standings we are listing only the averages. Watch for next week's Result Sheets. There will be a change in standings as I plan to take the average of the best six scores submitted. Some archers have sent in 16 scores. Others need to be encouraged to send in more during the month of March so they will have 6 for a final average and qualify for a Classification Crest (if they have not received one before) and a Classification Tab.

TEAM SCORES: FREE STYLE

35	Quebec Sherwood Archers (1)	1947
28	Manitoba Association of Archers	1929
