### **1. Registration for FCA's Regional Indoor Championships**

Clubs wishing to host the FCA Regional Indoor Championships, March 5 and/or March 6, 2005 may register online now using the "Register Host Site" link at: <http://www.e-bizinus.com/fca/indoors/SiteDirectorHome2005.htm>

Unless your Provincial Organisation organizes hosting sites, any club may apply to host this event. It must be officiated by a Provincial level judge and must be run according to the official rules. Every effort is made to ensure that the Championship is held under similar conditions at all host sites.

In the past, a number of clubs have run the FCA Championship in conjunction with the COPANARCO indoor MICA event. You are strongly discouraged from doing this as these events run under different rules regarding ages, equipment divisions, scoring and target type/size. It is VERY difficult for archers, judges and the DOS to run either event properly with all of these differences.

Last year 700 archers competed at 28 sites across the country. Plan now for your club to participate in this major FCA event. All the information you need is on the web at: <http://www.e-bizinus.com/fca/indoors/> and all sites will receive a complete hosting package in January, but if you have questions or concerns please contact the Coordinator, Greg Durward, at <http://www.e-bizinus.com/emailgreg.htm> (250) 537-0749

## **2. MICA 2005**

2. Scores shot after April 30, 2005 cannot be considered for MICA.
3. Please send the results 48 hours after you have run the event at your club. Results should be submitted using the Excel results spreadsheet which can be downloaded from the above site. E-mail them to: [canadamica@hotmail.com](mailto:canadamica@hotmail.com)

## **4. CAAWS Most Influential Women in Sport and Physical Activity 2004**

Nominate your choice for the List

Everywhere in Canada women are excelling at all levels of sport and physical activity. The Canadian Association for the Advancement of Women and Sport and Physical Activity, CAAWS, wants to recognize women who have made a significant impact in these fields. CAAWS is seeking your input for its 2004 Most Influential Women List, which will be announced in January.

Nominate your choice for the 2004 list if she is a powerful woman who is influencing sport and physical activity in this country. She may be an athlete who has achieved national or international recognition? Or an executive who has led an organization with

a clear, defined vision? Perhaps she is a volunteer who has donated countless hours to coaching or organizing? Or someone in the print or broadcast media who influences coverage of girls/women in sport and physical activity?

The CAAWS 2004 Most Influential Women List will reflect activity in 2004. Women previously named to the list may be nominated again. All nominations will be reviewed by a panel established by CAAWS to develop the final list of the most influential women in Sport and Physical Activity for 2004. The list will be announced in January 2005.

Nominations should include:

1. Name of nominee
2. An explanation of why she is an influential woman
3. Brief summary of 2004 accomplishments
4. Contact information for the nominee
5. Contact information from the person making the nomination

Deadline for nominations is Wednesday, December 1, 2004.

Nominate your influential woman online at

<http://www.caaws.ca/influentialwomen/e/nomination.htm> or by fax to: 613-562-5668

### **7. International Judge Conference San Salvador, El Salvador, December 3-5, 2004**

COPANARCO, in coordination with the FITA Judge Committee, would like to invite **all FITA International Judges in the Americas** to take part in an International Judge Conference to be held in San Salvador, on December 3-5, 2004.

COPANARCO will cover accommodation, meals, and local transportation expenses of all participants during the celebration of the conference.

FITA Judge Committee Members Sergio Font and Morten Wilmann will be the speakers at the Conference, which will cover most of the items discussed at the FITA Judge Conference held in Lillehall earlier this year, plus a few other interesting topics arising from recent rule changes.

**Sit-ins are welcome**, though COPANARCO will not be able to cover their expenses in El Salvador. The national judges can attend, but it is not possible to cover their expenses in El Salvador. Our budget is limited and we can only afford to cover the expenses of our International Judges. If some of your national judges are interested in attending, they are welcome as sit-ins, as long as they cover their own expenses. Please, let them all know about the seminar and have them advise me if they want to attend.

All sessions will be held in English.

Please fill out the following form and return it to COPANARCO's office in San Salvador not later than October 15, 2004.

Name: \_\_\_\_\_

Country: \_\_\_\_\_

I will \_\_\_\_\_ will not \_\_\_\_\_ participate in the Conference.
