

INFO.E-MAIL LES NOUVELLES/NEWS le 09 septembre / September 9, 2004
Greetings/Bonjour:

Congratulations to Doris Jones, MB (cadet women compound) who set 2 world records during the FCA championships, FITA 1440 total of 1388 and 12-arrow (60m) match play score of 115. Her FITA certificates were sent to her in the mail today!

During the Olympic Games, FCA national team coach Joan McDonald wrote a daily diary (English only). But under the FCA agreement with COC and IOC, none of that story could appear on a web site. But, now the Games are over. The national office has put all the days together into one file. Look for the "Olympic Coach's Diary" file on the FCA web site at: <http://www.fca.ca/weeklys/2004/OlympicCoachDiaryAthens2004.doc>. Thanks, Joan, for the great amount of information!

2. Face 2 Face Archery Tournament 2004

The Concordia Archery Tournaments foundation, organizer of the Face 2 Face Archery Tournament 2004 would like to invite the Canadian National team for the Face 2 Face

Archery Tournament. We have received your contact details from Andre Korlaar who supports the tournament.

The Face 2 Face Tournament which will be held from 9 - 12 December in Amsterdam, the Netherlands. The Face 2 Face Archery Tournament is an indoor invitation tournament for top archers from national teams and pro teams.

The Face 2 Face is a very exciting indoor archery concept, as all archers in a division (48) shoot against each other in small groups. In first there are 8 groups of 6 archers. All shooting 5 matches of 4x3 arrows. Winners get 2 points, loser 0. The best will go to the second round 4 groups of 6 archers, from there to 3rd round 2 groups, then 1/2 finals in best of 5 and finals best of 7 matches of 3 arrows. This concept will bring the best archers to the first place, because all archers can make a mistake and still come out of it as best. This because of the small duels in the groups. The complete concept can be found on the Face 2 Face website.

The tournament will become one of the few European indoor top tournaments and will receive good media attention. At this time the tournament has had coverage all ready in the following magazines: BOW International archery magazine; Bogensport, Japanese Archery magazine, other magazines will follow (the glade, archery focus, spanish archery magazine). The coverage is good because of the special format. The organisation has made arrangements for national television and Eurosport broadcasts, but this is dependent on the financial situation of the tournament.

If you want more info you can look at www.face2face-archery.org or email us at info@face2face-archery.org.

If you know of more Canadian top archers (pro-teams etc.) who might be interested in joining the F2F, please forward this message.

Hope to receive your reaction soon,

Best regards,

Edwin de Ligter

6. FITA Indoor World Championships 2005 - Call for coach, team leader and support staff

The FCA is calling for Team Leader, Coach and support staff to accompany the Canadian team to the World indoor Championship in Aalborg, DEN, March 23-27, 2005.

The team will comprise a maximum of 18 archers, male and female, compound and recurve, junior and senior. Under FITA rules, a maximum of 4 staff are permitted to accompany a team. The team selection criteria can be seen on the FCA web site in the Excellence section.

The Team Leader is responsible for the smooth administration of the team including assisting with travel arrangements, accommodation, entry fees and on site management. He/she works with the coach to ensure the smooth operation of the team both on and off the field. Both bilingualism and coaching certification would be assets but are not mandatory. In some case, the team coach and the team leader may be the same person.

The additional support staff will work with the Team Leader and Coach to assist with team management and to assist the archers in any way on the field of play during the competition. Some time will be required to work with the individual archers to determine how best to assist them. This is an opportunity for people with an interest in working with National Teams to gain the experience necessary to be a Team Leader and/or Coach for future teams. Both bilingualism and coaching certification would be assets.

It is probable that the FCA will not cover your travel costs with the team.

Applications should be sent to the FCA office by email or regular mail and must be received by Wednesday, October 13th, 2004.

E-mail: Information@FCA.ca
