10. FITA

The new President of FITA, Dr Ugur Erdener, was passing through the Olympic capital on Tuesday this week for the first time since he was elected. He took advantage of the opportunity to have a meeting with GAISF (General Association of International Sports Federations) President Hein Verbruggen. Later in the afternoon he also met the IOC President Jacques Rogge and the Director of ASOIF Bob Fasulo.

Recently elected as President of FITA, Dr Erdener is the Director General of the Hacettepe Medical Complex of Ankara, Turkey. He is the first person from Turkey to be appointed as president of a Summer Olympic sport federation.

His meeting with Hein Verbruggen, who is also President of the Coordination Commission for the 2008 Beijing Games, took place at the World Cycling Centre in Aigle, Switzerland. « It is a wonderful training centre, and Mr. Verbruggen should be proud of it », Dr Erdener said after the visit. The two presidents talked about the challenges that international sports are facing and about Beijing 2008.

Dr Ugur Erdener is convinced that FITA has to be more active for archery to keep its good position among Olympic sports. Among the new President's main projects are organizing a World Cup Circuit from next year, developing a new sponsorship program and a better TV policy, as well as creating new publications for FITA members.

FITA organizes a Think Tank meeting next weekend in Antalya, Turkey. Its new President wishes to collect some different opinions from its members in order to prepare good strategic plans.

FITA President hopes to draw lessons and advice from his discussions with Jacques Rogge, Hein Verbruggen and Bob Fasulo that will help him improve the situation and profile of archery in the world of sports.

12. Clubs, Judges and FCA Club Insurance for 2006

In accordance with the FCA Operational Plan, starting in 2006, all clubs must include the name of at least one qualified club-level judge in order to receive liability insurance. Many clubs in Canada can meet this requirement already; some can not.

If your FCA club does not have a club-level judge already, the process is quite simple.

1. Use the club-level open-book test is available on-line, at no charge, on the FCA website.
2. Use the FCA rulebook on-line to complete the test.
3. Have the judge candidate send the test to your provincial judge chair to be evaluated.

THAT'S ALL THERE IS TO IT!

Please note:

This new policy is going to put a strain on Provincial Judge Chairpersons, so please be patient. Your assessment will be available as soon as the PJC has enough time. So, do not leave this important certification task until the last minute! Thank you.
