6. FISU and University world championships Coach Position

The FCA is calling for the Team Coach to accompany the Canadian team to the 23rd Universiade in Izmir, TUR, August 12-16, 2005. The team could be as small as 1 archer. Under FITA rules, a maximum of 4 staff are permitted to accompany a team. The criteria for selection of archers for this team can be seen on the FCA web site in the Excellence section.

The team coach will be selected by the FCA High Performance Committee. The coach is responsible for selecting a Team Leader and two other support staff and submitting those names to the High Performance Committee for approval. The coach is responsible for creating a "team" of support staff and creating a productive and cohesive team out of the individual athletes. The coach will communicate with archers' personal coaches and each archer to determine how to best help the athlete perform at his/her best during the competition. The Coach is also responsible for overall on field management during the competition.

The Team Leader is responsible for the smooth administration of the team including assisting with travel arrangements, accommodation, entry fees and on site management. He/she works with the coach to ensure the smooth operation of the team both on and off the field. Both bilingualism and coaching certification would be assets but are not mandatory.

There is no funding for this event, but accommodation expenses are covered by CIS.

Applications should be sent to the FCA office by email or regular mail and must be received by Tuesday, June 28, 2005.

E-mail: information@fca.ca

FCA's High Performance Committee decided that FISU is a development event, and as such, the following policy was approved:

POLICY: Those eligible archers must be Excellence members, achieving **Blue** squad criteria and meeting CIS eligibility guidelines. If there were more than 4 qualified

archers, then standard team select policy would apply. Archers would be required to purchase their own uniforms and pay their own expenses.

How can I get on the team?

The archers for this team will be chosen as follows:

Three FITA 1440 scores shot, between January 01, 2004 and June 24, 2005, will be averaged. A maximum of two of those scores can be from the year 2004. **One of the three scores must be from a major event.**

The average of the three scores must be equal to or greater than the 2004/2005 Blue Squad criteria for the appropriate gender and equipment category. The top four archers with the highest average in each equipment category will be named to the Canadian Team. If an archer is unable to attend, the next archer on the list will be selected, providing they meet the above criteria.

Please note that only two scores from 2004 can be used in the team selection average but archers do not have to use scores from 2004. **Two** scores from 2005 and **1** from 2004 or even **3** scores from 2005 could be used. The score from the major event can be from either year. Major events for team selection and ranking are listed on the FCA web site.

Archers must be members of Excellence 2008 by June 1st, 2005 to be members of this team. If archers were not members of the Excellence 2004 programme and wish to use scores from the year 2004, they must join Excellence 2008 and submit their year 2004 scores to the FCA office or Joan McDonald by June 01, 2005.

Scores must be submitted to Joan McDonald or the FCA by midnight **June 24, 2005.**

If you intend to try to make this team, please contact Kathy Millar right away. This will help us anticipate how many archers will be going and assist us with planning.

If you have any questions, please contact Kathy Millar, FCA Executive Director at: information@FCA.ca or (613) 260-2113.
