1. Call for tournaments 2005

All clubs, with the exception of those in Québec and Manitoba, should send their **FITA Star** tournament requests to the national office NO LATER THAN 60 DAYS IN ADVANCE. Pre-payment is mandatory. Clubs in Québec and Manitoba should contact their provincial archery office. The costs remain the same: \$40 per round + \$2.80 GST = \$42.80 per round. Send requests to the FCA national office at:

#200 - 2460 rue Lancaster Road, Ottawa, ON K1B 4S5

- FCA publishes **only** those tournaments for which payment has been received.

2. Applications for National Outdoors & National Clinic for Judges St-John NB 2005 (also available on the FCA Judge website)

The FCA judge committee chairperson now is accepting applications from qualified judges wishing to participate in the next Canadian Target & Field Championships that will be held in St-John, NB from July 22 to August 1, 2005

All judge applicants will be considered, not only on experience, but also from the perspective of the development of Canadian Archery. There will be a certain amount of FCA financial support (to be defined) to defray travel costs. This financial assistance is limited, and judges are urged to seek additional support from their provincial

associations. In the past, judges also received a per diem (\$30.00), accommodation (double occupancy) and local transport.

FCA will announce the judge team by the beginning of March 2005.

National Judges Clinic

Usually, FCA organises a national judge clinic on the days preceding the Championships (Friday and Saturday July 22 and 23). National judge candidates and especially judges of this area are encouraged to attend. All other judges can use the seminar to refresh their knowledge and challenge their thinking. Usually, the seminar costs \$50.00. Seminar candidates will be offered the chance to judge during the tournament under the supervision of a senior judge or mentor.

All interested judges must fill out the application form below and send it directly to the address indicated below.
