

1959 Canadian Regional Archery Championships Results

From the September 1959 issue of **Toxophilus**:

Led by the amazing performance of Instinctor Priscilla Harkins of Sarnia, Ontario, some 200 of Canada's sharpest shooters made a wholesale attack on Canadian Archery Records over the weekends of August 29th and September 5th. Archers gathered at 8 Regional Tournament sites across Canada, stretching from Montréal to Victoria. An estimated 150,000 arrows were shot to decide the 24 titles at stake. Ontario's archers won the major share with 13 Gold Medals. British Columbia won 6, Manitoba 3, Alberta and Quebec 1. Although 23 new Canadian Records were established, actually the old records were broken no less than 50 times during the tournaments. The only records able to stand up to the competition were the Men's and Women's Freestyle Target Records. Priscilla Harkins has the distinction of being the only instinctive archer to break both the Freestyle and Instinctive Record in the Field Round. Arnold Glennie broke the magic 1000 in the 56 Target Big Game Round.
