Results of 1957 Regional Archery Tournaments to decide Canadian Champions

Tournaments held on weekends of August 24th and August 31st

Once again the C.A.A. Executive wishes to thank all Provincial Archery Associations who, by their wholehearted support, made the Regional Tournaments a success. Over 250 Archers competed — one hundred more than last year. It certainly is encouraging to know that even though some Provincial Associations prior to the Tournaments did not see eye-to-eye with the C.A.A. Executive on the tournament program, yet supported the Tournament to the best of their ability. In two Provinces the Provincial Constitution called for Rounds that were not not on the program in order to decide their Provincial champions. This made it difficult to combine the Canadian and the Provincial events. Never-the-less more archers than ever before shot in a Canadian Championship. The best attended tournament was the Ontario Regional Field Tournament at the Forest City Archers' Range, London, Ontario, where in the neighborhood of 120 archers competed and re-wrote the record book as far as the instinctive field records were concerned.

The instigation of classifications made it possible for many more archers to win awards. For the records it should be stated here that those Archers who shot four mail match scores were classified into the following groups: Target: F.S. and Instinctive Men - Expert Bowman. Archer and Yeoman. F.S. Women and Juniors - Bowman and Yeoman. Field: F.S. and and Instinctive Men - Expert Bowman, Archer and Yeoman. F.S. and Instinctive Women - Bowman and Yeoman. The results of the outdoor mail matches certainly indicated the outcome of the Canadian Championships as almost every top archer in the mail matches duplicated his or her feat in the Regional Tournaments.

A tie developed in the Women's 120 Yard Clout between Anne Germaniuk of Edmonton and Mildred Dallman of Winnipeg. However, Mildred had more of the higher value arrows than Anne and therefore heads the list in the Clout.

It is pointed out that because of the classifications, some Archers who shot in the Yeoman class had scores high up in the Bowman Class. e.g., Marj. Saunders of Haney, who topped the Yeoman Class in the Free Style Field, was actually second to Betty McKeown for the Canadian Championships, and Marion Stewart, who competed in the Yeoman Class, Instinctive Field, was second to Iris Carter for Canada.

Although the Financial Statement may not appear too rosy, it must be understood that Regional Tournaments are an expensive method of determining Canadian Championships - but well worth the expense if the Archers are interested.

A great deal of worthwhile information has been gathered from the reports of the meetings held at the various tournaments and these will be mimeographed and sets supplied to each Director and Provincial Association.

Be seeing you in Winnipeg in 1958!

T.R. Dickson

Thucker

Secretary-Treasurer

#### INTERIM FINANCIAL STATEMENT ON 1957 REGIONAL TOURNAMENTS

Everyone is anxious to have a look at the other fellows' scores, so we won't hold up the report any longer. Two Tournaments have not yet submitted financial statements so those figures in brackets will be amounts which we have approximated. There may also be outstanding bills that will have to be charged to the Regional Tournaments. This report will, however, give you a good idea of how the C.A.A. made out financially this year on the Regional Tournaments. A final and completed statement will be issued with the Annual Financial Report the end of October.
